The Board of Directors for the Tualatin Hills Park and Recreation District adopted a new out of district fee policy. The new out of district fee assessment will apply to all classes, camps, passes, drop-in programs and sports leagues.

This annual assessment can be purchased by quarter or annually. The quarterly fee will be good for the quarter it was purchased for only. Quarters will be pre-determined by the Park District and follow our class schedules. All out of district patrons that choose to use Tualatin Hills Park and Recreation District programs and facilities will be required to apply for a registration card and pay this fee in order to utilize facilities and programs. If you are currently using classes, camps or sports leagues you may already have a registration card, see the front desk for your expiration date.

With the new assessment, out of district patrons will pay **the same prices** as in-district patrons, there will not be roster fees.

Quarterly assessments purchased during the current quarter will not be pro-rated. Annual assessments are valid for one year including the term/season that it was purchased in.

Out of District assessments are by household only, single assessments are no longer available, and cover all programs within the term they are current. You must have a valid assessment for the season that your sport plays in. See the Front Desk of the Athletic Center for appropriate seasons.

For current assessment fee rate, call the Athletic Center, 503-629-6330 or log on to www.thprd.org.
